ALTERNATIVE MEDICAL PHILOSOPHY

While not opposed to drugs and surgery, the Chiropractic philosophy of health care believes in the body's amazing ability to heal itself when nerve blockages are removed by specialized procedures.

TRAINING IN 9 TECHNIQUES

Graduating from the country's top university for his field, Dr. Le brings several Chiropractic techniques that he can utilize for his patients care.

GENUINE & HUMBLE

Dr. Le takes great care to be genuine with his patients and maintain humility in his approach to their treatment.

PASSIONATE, EXPERT CARE

Not only is Dr. Le well-trained but he is also extremely passionate about helping others in their journey to live pain-free in optimal health.

BEST EQUIPMENT

The best in high-tech medical equipment and contemporary techniques helps us provide the best care in the most efficient and accurate manner.

Magnolia Comfort Medical is a small, personal Chiropractic Care practice in Peachtree Corners where our doctor is **passionate** about helping our community live in optimal health, pain-free.

We accept most traditional insurance plans, but please contact our office to verify acceptance of your specific plan. We are happy to file insurance for your reimbursement as long as you are free to choose your own doctor.

The passionate, holistic healthcare provider where balance is a key to personal health.
